

Assisting Businesses: The Business Enhance Grant Schemes

Monday 8th August 2022
11:00hrs – 12:00 noon

Webinar organised by the Gozo Business Chamber
in collaboration with Bank of Valletta

The Measures and Support Division administers a number of support schemes targeted for businesses, which fall under the scope of the 'Business Enhance'. Apart from the European Regional Development Fund schemes, the Business Enhance Grant Schemes include also the last three schemes emanating from the Recovery and Resilience Fund i.e. the SME Digitalisation Grant Scheme, the Digital Intensification Grant Scheme, and the Renovation of Private Sector Buildings Grant Scheme, which have higher thresholds of funding for Gozitan based businesses.

The scope of this webinar will be to provide an overview of all the schemes under the Business Enhance with a specific focus on those schemes which offer a higher threshold for Gozitan based businesses.
