Press Release: The Road Development at Ghadira Bay

The Gozo Business Chamber would like to show its concern with respect to the new road development at Ghadira Bay. The fact that the South bound road from Ċirkewwa in Ghadira is being reduced to one lane already is showing that significant traffic congestions will be created when heavy traffic is coming from Ċirkewwa on busy days. This apart from the one lane road leading to the port of Ċirkewwa which makes effective queing and accessibility to this port on busy days almost impossible. This including the security risks which have already been experienced. Given the situation, accessibility and road works from Ċirkewwa to Ghadira should be revisited keeping in mind that in excess of two million cars pass throughout these thoroughfares yearly for the ferry alone. No consultation with interested parties was undertaken.

Press Release: L-iżvilupp ġdid tat-triq fil-bajja tal-Għadira

Il-Kamra tan-Negozju għal Għawdex tixtieq turi t-thassib tagħha fuq l-iżvilupp tat-triq il-ġidida fil-bajja tal-Ġħadira. Il-fatt li t-triq int u ġej miċ-Ċirkewwa fil-bajja tal-Ġħadira qed tiġi mnaqqsa għall-karreġġata waħda ja qed turi li se jkun hemm konġestjoni kbira tat-traffiku meta jkun hemm numru kbir ta' karozzi ġejjin miċ-Ċirkewwa. Dan apparti mid-diffikultajiet ja preżenti, fejn inti għandek karreġġata waħda fit-triq li tagħti għaċ-Ċirkewwa u li toħloq diffikultajiet kbar fil-kju għall-vapur meta jkun hemm numru kbir ta' karozzi ġejjin lejn Għawdex. F'din is-sitwazzjoni l-aċċessibilita għall-port tal-Ċirkewwa tiġi kważi mpossible. Dan ukoll minbarra r-riskji fis-sigurta' li ja ġew esperenzjati. Għalhekk minħabba din is-sitwazzjoni l-aċċessibilita' u x-xogħolijiet kollha fit-toroq bejn iċ-Ċirkewwa u l-Bajja tal-Ġħadira għandhom jiġu riveduti fil-kuntest li 'l fuq minn żewġ miljun karozza jgħaddu minn dawn it-toroq għall-vapur biss b'mod annwali. L-ebda konsultazzjoni f'dan ir-rigward ma saret mal-partijiet interessati.
