Press Release: The Need for Maturity and Serenity

The Gozo Business Chamber would like to refer to the press release issued by the Office of the President on the 8th May, with respect to the events happening in our country. The Chamber believes that the President's words are both opportune and timely given the circumstances we are living. Prudence, caution, and the environment of serenity in which our institutions need to operate, are three fundamental ingredients so that the situations that our country is experiencing, are faced with maturity, and so that justice is done with all the parties concerned.

The Chamber believes that maturity should be exercised in all that is said, especially in the political sphere. Everyone who expresses a position should feel the responsibility that what is being said has a significant impact on the whole of society.

Malta's legislative framework provides various remedies. Consequently, the judiciary should be left to do its work in a serene way. It is only then that an environment of serenity, which will enable justice to be done with all the parties concerned, can be created.

Stqarrija għall-Istampa: Il-Ftieġa ta' Maturita' u Serenita'

Il-Kamra tan-Negozju għal Ghawdex tirreferi għall-istqarrija maħruġa mill-Uffiċċju tal-President fit-8 ta' Mejju rigward l-avvenimenti li qed jiġru f'pajjiżna f'dawn il-ġranet. Il-Kamra temmen li l-kliem tal-President huma kemm f'waqthom, kif ukoll opportuni, meta tqis ċ-ċirkustanzi li qed ngħixu fihom. Il-prudenza, l-kawtela, u l-klima ta'serenita meħtieġa fil-ħidma tal-istituzzjonijiet, huma tliet ingrendjenti fundamentali biex is-sitwazzjonijiet li qed jgħix pajjiżna bħalissa jiġu mgħixa b'mod matur, u biex issir ġustizzja mal-partijiet kollha konċernati.

Għalhekk il-Kamra temmen li għandha tiġi eżerċitata maturita f'dak kollu li qed jingħad, speċjalment fil-kamp politiku. Kull min jikkellew għandu jfoss ir-responsabilita li dak li jgħid għandu impatt qawwi fuq is-soċjeta' kollha.

Il-qafas leġiżlattiv ta' Malta jipprovdi diversi rimedji u għalhekk il-ġudikatura għandha titħalla tagħmel xogħolha b'serenita'. Huwa biss b'dan il-mod li jista' jinħoloq ambjent seren fejn issir ġustizzja ma' dawk kollha involuti.
