

Gozo Business Sentiment

Friday 14th June 2024
10:00hrs – 11:00 hours

Webinar organised by the Gozo Regional Development Authority and the Gozo Business Chamber

This webinar will present the results of the Gozo Business Sentiment Survey conducted in September 2023 and March 2024. This comprehensive survey collected responses from 80 businesses across Gozo, providing valuable insights into the current economic climate and business sentiment on the island.

The webinar will explore key findings and trends from the survey data, highlighting the challenges and opportunities faced by local businesses. Expert interventions will also discuss the implications of these results for Gozo's economic development

This event is essential for business owners, policymakers, and stakeholders interested in the economic landscape of Gozo. It also offers a unique opportunity to gain a deeper understanding of the business environment, which should contribute towards fostering a sustainable future for the Gozitan business community.

The proceedings of the webinar will be in Maltese.
